

The Killam Community
Action Initiative
APPLICATION

The Killam Community Action Initiative provides small grants to current Killam Fellows and Killam alumni to engage in environmental and/or community action. The program will provide small grants (in the \$3000 to \$5000 range) to Killam Fellows who seek to engage in an event or activity in their local community that will ultimately have a beneficial impact. Please refer to the official **Terms and Conditions** in this package prior to applying. Please complete each section of the application carefully, and submit the application electronically to Jesse Schell at jschell@fulbright.ca. Applications must be submitted no later than **5 pm EST on Monday, November 14th, 2011**. The number of approved grants in any given academic year is subject to the availability of funding.

Personal Information

Proposed Activity:

Please provide an outline of your proposed activity, event, or program. Please make sure to reference the specifics of your program, how you plan to engage your local community and partners, your specific goals and outcomes, and how you plan to report/promote your program upon its completion.

Please describe how your proposed activity, event or program will provide visibility for the Killam Fellowships Program and/or promote the ideals of increasing mutual understanding between the people of Canada and the people of the United States of America. Explain how your project might have continued feasibility beyond the award year, and whether or not it could be replicated or extended by future participants.

Briefly, please describe why this project is important to you.

Proposed Schedule of Events:

Please provide an outline of a calendar of events for your proposed activity, event or program. Please make sure to make reference to the specifics, including dates and locations of your program events, wherever possible.

PROPOSED BUDGET

The maximum funds available for each student or scholar are \$5000. Any expenses in excess of the maximum are the responsibility of the applicant.
